

NDIS Progress Note

Participant Support Documentation Summary

Participant	Participant	Date of Support	July 13, 2026
Support Worker	Not specified	Document Generated	July 13, 2026 01:25 PM
Consent Noted	Not documented		

SUBJECTIVE

The participant reported feeling okay, but still finds it hard to get out of the house. However, they managed to go to the shops twice, showing progress toward increasing community participation. They used the bus as planned, despite feeling anxious, and identified a need for help with their grocery list next time.

OBJECTIVE

The participant demonstrated progress toward increasing community participation by going to the shops twice and using the bus as planned. They showed resilience in managing anxiety and navigating a crowded bus.

ASSESSMENT

The participant is making progress toward their goal of increasing community participation, but may require ongoing support with transportation and daily tasks.

PLAN

The participant will continue to work on increasing community participation, with a focus on developing skills for independent transportation and daily tasks. The support worker will assist the participant with creating a grocery list for the next session.

PARTICIPANT VOICE

The participant expressed a need for help with their grocery list and reported feeling anxious when using the bus, but was proud of their progress.

SUPPORT TYPE PROVIDED

Community participation support

RISKS / INCIDENTS

The participant experienced anxiety when using the bus and encountered a crowded bus, but managed to cope by sitting near the front.

LINKED NDIS GOALS
