Participant Support Documentation Summary

Participant	Participant	Date of Support	July 14, 2026
Support Worker	Not specified	Document Generated	July 14, 2026 12:45 AM
Consent Noted	Not documented		

SUBJECTIVE

The participant reported feeling okay, but still finds it hard to get out of the house. However, they managed to go to the shops twice, which is an achievement for them.

OBJECTIVE

The participant demonstrated progress toward increasing community participation by going to the shops twice using the bus, despite feeling anxious.

ASSESSMENT

The participant's ability to use the bus to go to the shops shows progress in community participation, but they still require support with tasks like creating a grocery list.

PLAN

The support worker will work with the participant to create a grocery list in the next session to further support their independence.

PARTICIPANT VOICE

The participant expressed a need for help with their grocery list and experienced anxiety when using the bus, but felt accomplished after completing their shopping trips.

SUPPORT TYPE PROVIDED

Community participation support

RISKS / INCIDENTS

The participant experienced a crowded bus, but managed to cope by sitting near the front.
