

NDIS Progress Note

Participant Support Documentation Summary

Participant	Participant	Date of Support	July 13, 2026
Support Worker	Not specified	Document Generated	July 13, 2026 01:22 PM
Consent Noted	Not documented		

SUBJECTIVE

The participant reported feeling okay after a minor head injury, but still finds it hard to get out of the house. They managed to go to the shops twice, catching the bus both times, and felt a bit anxious but accomplished it.

OBJECTIVE

The participant demonstrated progress toward increasing community participation by going to the shops twice and using the bus as planned, while also managing their recovery from the minor head injury.

ASSESSMENT

The participant faced challenges with crowded buses but found a solution by sitting near the front. They also identified a need for help with their grocery list and are managing their recovery from the injury.

PLAN

The support worker will work with the participant on their grocery list in the next session and monitor their recovery from the minor head injury.

PARTICIPANT VOICE

The participant expressed a sense of accomplishment and identified areas where they need further assistance, including managing their recovery.

SUPPORT TYPE PROVIDED

Community participation support

RISKS / INCIDENTS

The participant experienced a minor head injury.
