

Sample Classification Records

Consent

Example 1

I agree to participate in the support program and give permission for my personal information to be used for care coordination.

Example 2

The client provided informed consent for today's assessment and authorized the sharing of relevant medical records with the treating specialist.

Example 3

Written consent was obtained before collecting photographs for documentation. The participant understands they may withdraw permission at any time.

Example 4

The guardian authorized the release of school reports to the case management team and confirmed their agreement by signing the consent form.

Example 5

The participant gave verbal consent to receive appointment reminders via SMS and email.

Incident

Example 1

An incident was reported after the participant slipped in the hallway and sustained a minor injury to their left knee.

Example 2

Property damage occurred when a wheelchair accidentally struck a glass door. No injuries were reported.

Example 3

A staff member reported that the participant became dizzy during the activity. First aid was provided and the participant recovered without further issues.

Example 4

The participant reported a medication error after receiving the wrong dosage. The incident was escalated to the clinical supervisor immediately.

Example 5

An injury was reported following a fall in the bathroom. Emergency services were contacted and the participant was transported to the hospital.

Note

Example 1

Progress note: The participant attended today's session, actively engaged in all activities, and demonstrated improved communication skills.

Example 2

Meeting note: The care team discussed the participant's recent achievements and agreed to continue the current support plan.

Example 3

Journal entry: The participant expressed feeling more confident about returning to work and identified several personal goals.

Example 4

Update: The participant has completed all scheduled appointments this month and reported no new concerns.

Example 5

Case note: Follow-up phone call completed. The participant confirmed they are satisfied with the current services and requested another review next month.
